Dear Gary,
I have talked to our senior management and they are very interested to meet with you in Lincoln with the opportunity to see your facility there. In order to make this a fruitful meeting we need some more time to prepare our plans for the future and thus we would prefer to have such a meeting either at the end of March or April/May 2003.
Please let me know your thoughts on this.
Best regards
Hans

Hans, we at MDS Pharma Services would like to come to your facility with several of our upper management folks to express our thanks to you and Phillip
Morris for the business opportunity that we have with you, and to discuss whatever future plans you are comfortable sharing with us so that as we go through our planning, we can invest in supporting and growing our relationship.

Hans, please call me about this (1-800-776-1716, ext 4918), but if you could

propose a couple of possible dates in the next couple of months, I could work with the MDS Pharma Services folks to pick a date to visit you.

Gary
